
Feed2post 2.0 needs translators

Posted by movilla - 2008/03/25 06:56

To all who are interested on helping on feed2post, we are needing native translator to languages other than english and Spanish, please send a note here and we'll contact you, we offer a free upgrade to all who translate feed2post 2.0 strings.

Best regards,

Mario - Feed2post coder

I think it will be not to much work at all :) If you are still looking, I can do a german translation for you

regards

Zappu
