## Please Help!1

Posted by jackpeterson - 2008/07/25 09:02

---

Hi Mario,

i have cronjob and feed2post installed. It works but it give duplicate articles. Could you please let me how to fix this.

Thanks,

Jack

Dear user, please specify the cronjob version and f2p version in order to get the accurate response.

Best regards, sorry for the delay,

Mario
